| PURPOSE |
|--|
| <p>This program of instruction provides a Marine with the knowledge and skills required to be a Foreign Security Force (FSF) Advisor and/or serve as a member of a Security Cooperation (SC) Team. The target audience for the Marine Advisor Course is a Sergeant or above serving in a SC capacity, Marines deploying ISO a SC mission, and Marines deploying as an advisor to a Foreign Security Force.</p> |
| SCOPE |
| <p>The four-week Marine Advisor Course provides fundamental advisor skills, training management, and force protection training to prepare Marines for overseas Security Cooperation missions. Through formal instruction and immersive environment scenario training, students learn to analyze and apply operational culture to their mission, build and maintain relationships and rapport with FSF counterparts, recognize and mitigate cultural stress, develop and implement training plans, understand USG objectives and plans for an assigned region or country, and conduct force protection while deployed in partner nations. Students graduate prepared to teach, coach, and advise a Foreign Security Force in order to develop its organizational capability and capacity in accordance with US Government, Service, and FSF objectives. Portions of the course are classified Secret.</p> |

PREREQUISITES

Students are required to complete the following on line courses:

- a. ORM Indoctrination (Marinet Course Code-DI5101A)
- b. Unit Training Management: Platoon (NCOs) (Marinet Course Code-UT03AO0000)

Course Overview

Advisor Skills Annex

This annex provides a student with knowledge and skills necessary to be an affective advisor to a FSF and how to effectively engage FSF counterparts. The Marine receives instruction on Introduction to Security Cooperation, The Advisor: An Introduction, Recognizing Culture Shock, Non-Verbal Communication, Establishing Cross-Culture Relationships, Employing Interpreters, and Negotiating Differences. Each class contains practical application exercises and evaluation. This annex culminates with a performance examination with actual role players and a written examination.

SC Execution Planning Annex

This annex provides a student with the knowledge and skills necessary to analyze national level guidance and mission guidance to begin the development of a training plan that will support training objectives. The Marine will receive instruction on Foreign Disclosure, Introduction to Security Cooperation Planning process, Problem Framing, Functional Based Advising, Functional Advising Problem Framing, and Designing a Plan. Each class contains practical application exercises. This annex culminates with a written examination.

Training Management Annex

This annex provides a student with the skills needed to develop, deliver, and evaluate training for a Foreign Security Force. The Marine receives instruction on Develop Training, Deliver Training, Evaluate Training, and Range Operations. This annex culminates with a field fire exercise and written examination.

Force Protection Annex

This annex provides a student with force protection skills that may be needed while conduction operations in a Security Cooperation environment. The Marine receives instruction on Emergency Action Planning, Insider Threat, Surveillance Awareness, Counter Elicitation, Apprehension Avoidance, SERE B Modified, and SERE 250. Each class contains practical application exercises and evaluation. This annex culminates with a written examination.

Foreign Weapons

This annex provides students with the familiarization of foreign weapons they may encounter on an SC deployment. The Marine receives instruction on AGS-17, AK Series Weapons, DShK, FN FAL, G3, G36, Galil, M-60 Machinegun, Negev, PKM, RPD, RPG, RPK, SPG-9, SVD, Tavor TAR 21, and the TT33. Each class contains practical application exercises. This annex culminates with a written examination.
